

eID - Install the Belgium eID app to access government related pages

(For **AG** please follow this [link](#).)

Open the Self-Service Software Portal and install the Belgium eID app.

Once installed you will have 2 pop-ups:

For government related pages (ex. My Minfin, Ma Sante, etc.) please use Safary and find the log-in page for your needs.

<h2>Choose your digital key to log in</h2> <p>Digital key(s) with eID or digital identity</p> <div>LOG IN with eID card reader</div>	<h3>Log in with eID card reader</h3> <div><ol style="list-style-type: none">1 Connect your eID card reader to your computer2 Insert your electronic identity card (eID), foreigner's card or kids-ID into the card reader3 Click 'Log in', select your certificate and enter the PIN of your identity card when asked to do so</div> <div>Choose a different digital key<div>Log in</div></div>
---	---

When prompted, insert your card in the card reader, log-in, select the certificate with your name in the next pop-up, click continue, and insert you ID Card pin code.
