

See the history of your calls.

Missed calls / received / rejected / etc.

Open <https://isb2.wildixin.com/collaboration/> login and click on the History icon.

If you want to sort the calls, you can change **All** to **Incoming**, **Outgoing**, **Missed**, Etc. You can select any of the numbers and call back. If **Web** is selected next to the green call button/bubble, your call will be made using the browser from your computer. If you change it to **WorkForce**, your landline will dial the selected number.

The screenshot shows the Wildix collaboration interface. At the top, there is a search bar with the text "Search or dial a number" and a green call button with a "Web" dropdown. Below the search bar is a navigation bar with several icons, including a "History" icon (a circular arrow) which is highlighted by a yellow arrow. Below the navigation bar is a call history table with columns for "Date" and "Duration". A dropdown menu is open for the "All" filter, showing options: "All", "Incoming", "Outgoing", "Missed", "Fax in", "Fax out", and "Archived". A yellow arrow points to the "All" option in the dropdown menu. The table contains the following data:
