

Xerox Copiers - First Log in - New users

If the copier is in standby, scan your card or press the Home button to wake it up.

If you have never used the copiers at ISB, scan your card, press Yes, type your username (your email without @isb.be), press OK, and add your network/email password. Press OK again; the copier will associate your card with your account.

Swipe your card again to log in.

Revision #2
